Subject: Pebble message for career leaders

Hi Matt –
Could you send this quick update (below) to the Career leadership group today? Thanks – Patty

As expected the Pebble Final EIS was released on Friday, July 24. Our NEPA team is busy reviewing the document. The Corps EIS website has been updated to include the Final EIS, recent Requests for Information to Pebble, the latest newsletter (which is attached), and an updated Department of Army CWA 404 permit application. The Corps website also provides an updated estimated ROD timeframe of Fall 2020.

We look forward to discussing the review with you all at our scheduled meetings. As always, please let us know if you have questions.
